

Remarks/Elections

Claims

The October 3, 2005 communication sets forth two purported groups: Group I, represented by claims 1-13, and Group II, represented by claims 14-21.

Please cancel Group II, represented by claims 14-21.

Remarks/Elections

Applicants hereby elect for further prosecution of claims 2-13 which are the claims of Group I according to the Examiner's classification. Claim 1 was previously cancelled. Applicants have cancelled the non-elected claims of Groups II, represented by claims 14-21, although Applicants reserve the right to file a Divisional Application directed to the subject matter of the nonelected claims prior to the issuance of a patent on those claims elected for further prosecution at this time.

An action on the merits is solicited.

Although Applicants believe that this Amendment does not result in additional fees, the Commissioner is hereby authorized to charge any fee which may be due, or credit any overpayment, to Deposit Account No. 19-2112.

Respectfully yours,

Jean M. Dickman
